

Amazing Road of Merit: Worship the 7-Birthday 8-Relic Pagodas

“Nakhon Phanom” is a province with an ancient historical record of being an ancient city of the Sri Kottaboon Empire. This makes Nakhon Phanom rich of archaeological sites and unique cultures/traditions. More importantly, it is where “the sacred Phra That Phanom along with the 7-Birthday 8-Relic Pagodas”, are located. Worshipped and respected by both Thais and Laos on both sides of the Mekong River for a long time, it is believed that the worshipper will receive a fortunate blessing as said in a quote, “worshipping Phra That Phanom and birthday relic pagodas will bring an exemplary year of life”.
